Dear Parents,

The National Association for the Education of Young Children sponsors an annual event called The Week of the Young Child that recognizes the importance of quality education for young children, their families and teachers. During the week of April 24th we will be following the theme of Celebrating our Youngest Learners! Each day has a planned theme to encourage creativity and excitement about learning. Music Monday, on April 24th, will be our WOYC kickoff pep rally! (Please refer to our April activities calendar to see what color shirt your child should wear on that day.) We will be singing our favorite songs with a "Special Guest" during the pep rally and listening to music throughout the day. Tuesday we will take the classroom centers outside to enjoy, while on Wednesday we will have Messy Art Day so dress to make a mess! Then Thursday the children will enjoy science experiments during Explore-It Day and Friday the older children (Suites 300-600) will have Trike Day, where they are allowed to bring their bikes/trikes and helmets from home to ride outside.

Please plan to come join us on April 21st for our Spring Carnival (6:30 to 8:30 pm), which will help to get our Week of the Young Child off to a great start!

Thank you for allowing us to celebrate your children!
